The Insider:

Finally Friday! Fresh snow fell overnight, and the sun is out this morning! Temps are the warmest they have been all week, plus we are still 100% open! Upper Mountain is open today, and the lifts start spinning at 10:00. Tubing tonight under the lights starting at 5:00. Open Mic in the main lodge starting at 6:30. It is predicted more snow is on the way so it will be an AMAZING weekend on the mountain. See you there!
